Workshop on sustainable buildings, energy and health

Fri., 6 September 2019

UP FAMNIT
Univerza na Primorskem &
InnoRenew CoE
Glagoljaška 8
6000 Koper

GET TOGETHER from 10.00 am
individual arrival

We warmly invite you to a theme day of the Alumni Chapters Slovenia and Croatia at the Univerza na Primorskem in Koper. Take the opportunity and visit lectures and workshops focused on the topics of sustainable buildings, energy and health.

The Chapters Slovenia and Croatia are an initiative of the UNI Graz, the TU Graz and the FH JOANNEUM.

Please register by 23 August 2019 at latest to: international@alumni.tugraz.at
All lectures and workshops are held in English.

3.15 pm Lab tour InnoRenew CoE.

alumni eXtended –
the international alumni network of
Graz University of Technology

Our international chapters offer TU Graz graduates a first direct point of contact abroad, as well as functioning as a networking platform for interested parties from science, business and politics.

Regular local meetings offer the opportunity to network, exchange ideas and establish contacts.
