Slovenia

We warmly invite you to visit the Kick-off lecture in 2023 at the Pregl Colloquium, organized at the Slovene National Institute of Chemistry by Prof. Dr. Nataša Novak Tušar. The Colloquium was named after Friderik (Fritz) Pregl, a chemist and medical doctor of Slovenian origin. In 1923 he was awarded the Nobel Prize in Chemistry “for his invention of the method of microanalysis of organic substances”.

— The official language of the Pregl colloquium is English.

**Please register by 16th January 2023 at latest to:**

*Our international chapters offer TU Graz  
graduates a first direct point of contact  
abroad, as well as functioning as a net-  
working platform for interested parties  
from science, business and politics.*

*Regular local meetings offer the  
opportunity to network, exchange  
ideas and establish contacts.*
